**FIRST QUARTERLY RESULTS ANNOUNCEMENT
FOR THE THREE MONTHS ENDED 31 MARCH 2019**

**CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG
LIMITED**

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange of Hong Kong Limited take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors (the "Directors") of Shanghai Qingpu Fire-Fighting Equipment Co. Ltd (the "Company", together with its subsidiaries, the "Group") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the "GEM Listing Rules") for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.

Notes:

1. GENERAL

Shanghai Qingpu Fire-Fighting Equipment Co., Ltd. (the “Company”) was established in the People’s Republic of China (the “PRC”) and was transformed into a joint stock limited liability company on 1 December 2000 and was renamed as Shanghai Qingpu Fire-Fighting Equipment Co., Ltd. (“上海青浦消防器材股份有限公司”). The registered office of the Company is located at No. 1988, Jihe Road, Hua Xin Town, Qingpu District, Shanghai, the PRC and its principal place of business in Hong Kong is situated at Unit 2605, Island Place Tower, 510 King’s Road, North Point, Hong Kong.

The Company’s H shares are listed on the GEM of The Stock Exchange of Hong Kong Limited.

During the period, the Group was involved in the following principal activities:

- manufacture and sale of pressure vessels (including fire-fighting equipment products and pressure vessels);
- provision of fire technology inspection services;
- manufacture and trading of iron casted grooved couplings;
- trading of sanitary-ware and other products;
- sales of aquarium products; and
- marine fire-fighting equipment installation and inspection.

In the opinion of the directors, the Company’s immediate holding company is 聯城消防集團股份有限公司 (literally translated as “Liancheng Fire-Fighting Group Joint Stock Co., Ltd.,” “Liancheng”), which is a limited liability company established in the PRC, and the ultimate holding company is 浙江恒泰房地產有限公司 (literally translated as “Zhejiang Hengtai Real Estate Company Limited”, “Zhejiang Hengtai”), which is a limited liability company established in the PRC.

2. PRINCIPAL ACCOUNTING POLICIES

The unaudited condensed financial statements of the Group have been prepared in accordance with International Financial Reporting Standards (“IFRSs”) (which include all International Financial Reporting Standards, International Accounting Standards (“IASs”) and Interpretations) issued by the International Accounting Standards Board (“IASB”) and the Rules Governing the Listing of Securities on the GEM (the “GEM Listing Rules”). The financial information has been prepared under the historical convention, except for investment properties which are measured at fair value.

The unaudited condensed financial statements for the three months ended 31 March 2019 are unaudited, but have been reviewed by the audit committee of the Company.

The accounting policies adopted are consistent with those followed in the preparation of the Group’s annual consolidated financial statements for the year ended 31 December 2018.

The IASB has issued several amendments to IFRSs that are first effective for the current accounting period of the Group. None of these developments has had a material effect on how the Group’s results for the current or prior periods have been prepared or presented in this announcement.

The Group has not applied any new standard or interpretation that is not yet effective for the current accounting period.

3. TURNOVER, OTHER INCOME AND GAINS

Revenue, represents the net invoiced value of sales of goods, provision of fire technology inspection services, commission income, and provision of marine fire-fighting equipment installation and inspection services, net of business tax, value-added tax, trade discounts and returns during the period.

An analysis of the Group's revenue, other income and gains is as follows:

In the opinion of the board of directors, the above transactions were carried out in the normal course of business of the Group and at prices and terms comparable with those charged by and contracted with third parties.

BUSINESS AND FINANCIAL REVIEW

Turnover

For the three months ended 31 March 2019, the Group recorded a turnover of approximately RMB18,591,000 (three months ended 31 March 2018: RMB15,866,000), representing an increase of approximately 17% over the corresponding period of last year mainly due to the increase in selling of pressure vessels.

Gross profit

For the three months ended 31 March 2019, the Group recorded overall gross profit of approximately RMB3,117,000 (three months ended 31 March 2018: RMB3,148,000). The gross profit ratio decreased from approximately 20% for the three months ended 31 March 2018 to 17% for the three months ended 31 March 2019 mainly because of the decrease in selling price to secure more pressure vessels orders.

Other income and gains

Other income and gains for the three months ended 31 March 2019 decreased by approximately RMB61,000 from RMB400,000 for the three months ended 31 March 2018 to approximately RMB339,000. This is mainly due to the decrease in the government grant, which was partially offset by sale of scraps.

Selling and distribution expenses

For the three months ended 31 March 2019, the Group's selling and distribution expenses increased to approximately RMB715,000 from RMB599,000, representing an increase of 19% over the corresponding period of last year. This is mainly because of the increase in selling of pressure vessels.

Administrative expenses

For the three months ended 31 March 2019, the Group's administrative expenses decreased by 12% to approximately RMB3,760,000 (three months ended 31 March 2018: RMB4,285,000), mainly because of continuing tight control on administrative expenses.

Finance costs

For the three months ended 31 March 2019, the Group's finance costs were RMB34,000 (three months ended 31 March 2018: RMB5,000).

Loss for the period

At a result of the above, for the three months ended 31 March 2019, the Group recorded a loss for the period of approximately RMB1,099,000 (three months ended 31 March 2018: loss RMB1,432,000).

Income tax

Pursuant to the relevant PRC tax regulations, the normal Corporate Income Tax (“CIT”) rate is 25%.

The CIT is calculated on the estimated assessable profits at 25% for the three months ended 31 March 2019 (three months ended 31 March 2018: 25%).

The effective tax rate of the Group is (4)% for the three months ended 31 March 2019 (three months ended 31 March 2018: (7)%). It is due to the net loss in certain subsidiaries offset net profits arising from other subsidiaries of the Group.

Non-controlling interests

For the three months ended 31 March 2019, profit for the period attributable to non-controlling interests is approximately RMB131,000 (three months ended 31 March 2018: loss of RMB70,000).

PROSPECT

The Company’s fire extinguisher products cover three categories, carbon dioxide, water-based, and dry powder. The wide product range offered by the Company can meet the diversified needs of the customers. The new Guiding Opinion will be a driver for the Group’s fire extinguisher products. In addition, the Company’s fire extinguishers for non-marine use are granted the Certificate for Product Type Approval by the CCCF and its fire extinguishers for marine use are granted the Certificates of Type Approval by the China Classification Society, Shanghai Branch (“CCS”). The Company’s pressure cylinders have obtained the manufacture licence in the PRC and they meet the quality standards or requirements of the USA and the European Union.

Measures have been and will be implemented continuously to improve the operation efficiency and to control production costs. The Company has reduced profit margin on some products in the first quarter of 2019 in order to secure more orders but will continue to improve the profitability of the Group by increasing the operation efficiency and seeking for new business opportunities in fire-fighting industry.

Pursuant to the Letter on Confirmation of Land Redevelopment Proposal of Urban Villages located at Xin Lian Village and Mao Jia Jiao Village, Zhonggu Town, Qingpu District, Shanghai (《上海城鄉建設和管理委員會關於確認青浦區重固鎮新聯村、毛家角村“城中村”改造地塊實施方案的函》) (the “Land Zhonggu Redevelopment Proposal”) issued by the Shanghai Urban-Rural Construction and Management Commission and based on the discussion between the management and the relevant government (the “PRC Government”) officials, it has been confirmed that the Zhonggu Factories had been included in the Zhonggu Land Redevelopment Proposal.

On 25 December 2018, the Company has received a notice from Shanghai Qingpu District Housing Security and Housing Administration Bureau (上海市青浦區住房保障和房屋管理局) (the “Bureau”), confirming that the Zhonggu Factories are part of the state owned land resumption according to the Housing Expropriation and Compensation Regulations on State Owned Land (國有土地上房屋徵收與補償條例). On 14 March 2019, the Company has received a first draft valuation report dated 11 March 2019 (the “Report”) from the Bureau. The valuation was done by Shanghai Real Estate Appraisers Co., Ltd. (上海房地產估價師事務所有限公司) selected by the Company and appointed by the Bureau. According to the Report, as at 28 January 2019 the compensation of the Zhonggu Factories, including but not limited to the land and building, is valued at RMB41,575,440. On 24 March 2019, according to relevant rules and regulations, in order to maximise the compensation for resumption of the Zhonggu Factories, the Company had logged in an objection to the Bureau against the value of the Zhonggu Factories in the Report. However, the Bureau has not yet formulated any specific schedule (other than an indicative completion date of 31 December 2019) or compensation proposal for resumption of such land parcels (including the Zhonggu Factories). The Bureau and the Company have not agreed on any special schedule or compensation proposal for resumption of the Zhonggu Factories.

The Zhonggu Factories are currently leased to a third party. Therefore, the resumption of the Zhonggu Factories has no material impact on the daily operation of the Group.

In 2017, the Company’s subsidiary, Shanghai Yuanfeng Pressure Cylinder Co. Ltd. (上海元奉高壓容氣有限公司) (“Yuanfeng”), received a notice from Shanghai Fengxian District Nanqiao Town Collection Management Office (《奉賢區南橋鎮徵收管理辦公室》), certain leased land and buildings are included in the land redevelopment plan. It is confirmed that the factory leased by Yuanfeng is included in the land redevelopment plan. However, the government has not yet formulated any specific schedule or compensation proposal for resumption. The production in Yuanfeng has been moved to its fellow subsidiaries and there is no material impact on the daily operations of the Group.

LONG TERM STRATEGY

We believe that the Company, with our experienced management team, firm and clear development directions, the manufacturing of quality products and the provision of quality services, will be able to sharpen the competitive edge. The Company will continue to develop new market of higher-margin products/businesses and also prudently consider acquiring relevant enterprises which possess sound profitability by way of capital increment in accordance with the relevant laws and regulations in order to accelerate the growth of our profitability so that the Company will become a major enterprise in the manufacturing, sale of fire-fighting equipment and relevant business service provider in the PRC and overseas.
